TORONTO**

## ih INTERNATIONAL HOUSE TORONTO

As a member of the International House World Organization, which has over 140 schools in more than 40 countries, International House Toronto (IH Toronto) is a well established school in Toronto, known for its high quality programs. IH Toronto is housed in the magnificent Blake Mansion. Once home to the second Premier of Ontario, this building is now a government of Canada Heritage Site. It is in this beautiful mansion where IH Toronto students study English or train to become certified English Language teachers.

IH Toronto is also conveniently located in downtown Toronto, a vibrant and dynamic city with a colourful mix of activities to see and do. Toronto is best known for its multiculturalism and safe streets, which makes it the perfect city for travelers and students alike.

Our expansion in 2008 will include two other historical buildings neighbouring the Blake Mansion. The expansion will allow us to include more classrooms, a new library and a new computer lab.

Edward Blake and his family were the first residents of the building
