Residences

We now have a residence for students all year round, not just for the summer.

We can also offer a residence for teenage groups all year round.

IH Dublin Workshop

William participated in the workshop and was helped by his daughter Elsa, who is now a trainee at IH Torquay. Merci Elsa.

Internships

For 2009 we are developing our existing programme, to make it more business orientated.

The work placement must now be preceded by just 2 weeks language course, and the placement can be between 1 and 6 months.

We can offer placements in Hospitality, Airline companies, marketing and other fields according to the student's needs.

William and all at International House, Nice would like to thank you for your support, and look forward another busy summer.
