

# SPANISH IN CÁDIZ

**Cadiz** is located in the southernmost part of Spain and separated from Africa by the straight of Gibraltar. It is the oldest city in the West, founded in 1.100 B.C. by the Phoenicians. Every travel guide describes our city as a unique discovery... a spoilt treasure of the Andalucía landscape. Not greatly affected by tourism it offers the students a huge range of delights. The amazing architecture, the sorted sport activities, the culture, the friendly local, 10 km of fine sand beaches, 3.200 hours of sun a year and more, makes Cadiz one of the best places to immerse yourself in the Spanish language, culture and way of life.

Our School is based in the beautiful Historic part of the city and only 5 min. walk from the beach. In a beautiful and traditional restored building. It has 7 classrooms, a computers room (with the last technologies), an Andalusia patio, a beautiful terrace with great views to enjoy during your free time, a meeting room, book, video and music library, a nice kitchen, etc. A charming environment to study and make friend from all over the world.
