

## **Courses**

### **London House School *of* English**

#### **INTRODUCTION**

We offer short courses (minimum stay 2 weeks) and long courses throughout the year. Classes are multi-national and small with a normal maximum of 8 students in the winter and 12 in the summer. We teach all levels from beginners to advanced.

#### **GENERAL ENGLISH COURSES**

These provide a balanced programme designed to develop your speaking, reading, listening and writing skills and your ability to use everyday English. This is done using a variety of methods within the classroom. There are 17.5 hours of tuition from 9am-1pm, Monday to Friday.

Start any Monday.

#### **INTENSIVE ENGLISH COURSES**

This is the same course as above but there are 24.5 hours of tuition from 9am-1pm, Monday to Friday, and 2.15-4pm, Monday to Thursday. There are no lessons on Friday afternoons because there are social activities. Afternoon lessons pay particular attention to communication and aim to increase your fluency. There are also fewer students in the afternoon so classes are smaller.

Start any Monday.

#### **ENGLISH PLUS COURSES**

On these courses you can combine learning English in the morning with another taught activity in the afternoon. The options available are golf, tennis, horseriding, aromatherapy, reflexology and study skills.

These courses need to be booked in advance so that we can arrange a suitable tutor for you. Course fees will depend on the activity chosen.

#### **ONE-TO-ONE TUITION**

If you wish to have an intensive course where you are the only student, this can be arranged. We recommend that students interested in this option take General English in the mornings and One-to-One tuition in the afternoon.

Course fees will depend on the number of hours tuition required.

#### **BUSINESS COURSES AND EXAMINATION COURSES**

We offer Business English courses as an afternoon option and Cambridge ESOL examination courses. Please see our separate leaflet for information on these courses.

#### **FURTHER INFORMATION**

We have a comprehensive Self-Access Centre and a Listening Centre, which is available for students to use for private study during their free time. A certificate is issued to the student on completion of their studies, showing the level they have achieved.
