If English is not your first language and you are living and working abroad as a teacher or trainee teacher of English, the Overseas Teacher Refresher Course is designed for you.

Whether you want to teach English in the UK or abroad, let us help you fulfil your ambition.

“I needed a career change. I haven't looked back since taking the Trinity course in Edinburgh”

Richard Johnson (CertTESOL graduate, Regent Edinburgh)

## Cambridge CELTA and Trinity CertTESOL Courses

The Cambridge Certificate in English Language Teaching to Adults (CELTA) and the Trinity Certificate in Teaching English to Speakers of Other Languages (CertTESOL) are run by different examination boards. Both are intensive courses for candidates with little or no experience of English language teaching.

Both courses cover the basic principles of teaching and learning a foreign language. Lessons focus on teaching techniques, planning, classroom management, language analysis and presenting new language.

The CELTA course is available on an intensive or a part time basis.

### Intensive Courses

If time is precious, the intensive course provides initial teacher training in Teaching English as a Foreign Language (TEFL) over a period of four weeks. With our expert trainers, in a short time you can be teaching English.

### Part Time Courses \*

The part time course takes place over three, four or five months and allows you to continue work or university whilst studying.

Courses are offered at the following Regent centres:
